Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ **110.8(1) SPECIFIC REQUIREMENTS FOR CHILD DEVELOPMENT HOME CATEGORY "A"** *The provider was not over numbers at the time of the visit. This is included as a reminder to provider regarding how many children she can care for.*

110.8(1)a Not more than six preschool children present at any one time including infants.

110.8(1)a Of these six children, not more than four children who are 24 months of age or younger are present at any one time.

110.8(1)a Of the four children under 24 months of age, no more than three may be 18 months of age or younger.

110.8(1)a Not more than two additional school-age children for less than two hours at any one time.

110.8(1)a Not more than eight children present when the emergency school closing exception is in effect.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

☒ Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.
